Passport

About Us

The Technology Leader in Parking Compliance and Curbside Payment Solutions

By helping cities integrate paid parking, enforcement operations, and payment infrastructure into one software solution, Passport provides the only platform that connects the complexities of mobility to efficiently manage and monetize the curb.

From mobile payments to citation issuance, permitting technology and more, Passport is empowering cities of all sizes with better insights to improve parking turnover, expand revenue opportunities, and create better compliance.

Our Products

Enforcement

A cloud-based enforcement and citation management system that provides real-time access to insights and data

Paid Parking

Simplify your parking payment management with mobile and digital payment options that scale

Permits

Digital permitting and meter bagging solutions that enable you to eliminate paper and manual processes

Payments

A cost saving and unified payments solution specially designed for parking and mobility
How It Works

All data from our platform is aggregated in Passport's portal, providing insights that help clients make decisions and take action. The result is a more integrated, efficient and reliable parking management infrastructure.

Key Metrics

800+

Core Benefits

Centralized Data and Insights
View, manage and take action all through Passport for a more streamlined operation.

Open Platform Model
Leverage Passport's open APIs to add vendors using a scalable digital infrastructure.

Outcome-Focused
Use Passport's platform to drive compliance, boost revenue and improve user experiences.

Additional Solutions

SpotBlock™: Passport's digital meter bagging and reservation system.

Photo Enforcement: Enforcing compliance has never been easier, faster or more accurate.

Performance Benchmarking: Leverage data from other cities and compare outcomes to make informed decisions that can influence policy.
